Talent Goes By

Tristam

You want me to be, someone else
You want me to change myself, so you can live
It wont happen, again, againYou want me to live, my life
Thinking that, I can't acheive, my best
Oh, well talent goes byTalent goes by
Talent goes byTalent goes by
Talent goes byTalent goes by
Talent goes byTalent goes by
Talent goes by
Talent goes by
Talent goes byTalent goes by
Talent goes byYou want me to be, someone else
You want me to change myself, so you can live
It wont happen, again, againYou want me to live, my life
Thinking that, I can't acheive, my best
Oh, well talent goes byTalent goes by
Talent goes byTalent goes by
Talent goes byTalent goes by
Talent goes by
Talent goes by
Talent goes byTalent goes by
Talent goes byTalent goes by
Talent goes by
