

# Stronger Than

## LANKS

[Verse 1]

Hope, my convictions off  
You know I know you well  
You lost nothing of your old self  
Closeness is something we  
Reforged as old friends  
With a lightness your guard fell

[Pre-Chorus]

There's no words to say  
But that won't stop me anyway  
If I could make you forget today  
I would  
There's no words to say  
But that won't stop me anyway  
If I can make you forget today  
I will

[Chorus]

I've never met someone who  
Could even compare to you  
Stronger than I ever knew  
Swimming downstream to the cold seas  
I've never met someone who  
Could even compare to you  
Stronger than I ever knew  
Swimming downstream to the cold seas

[Verse 2]

We are the statues standing silently we scorned  
But without these sanctions, self-imposed, I don't know if we'd ever know what for?

[Pre-Chorus]

There's no words to say  
But that won't stop me anyway  
If I could make you forget today  
I would  
There's no words to say  
But that won't stop me anyway  
If I can make you forget today  
I will

[Chorus]

I've never met someone who

Could even compare to you  
Stronger than I ever knew  
Swimming downstream to the cold seas  
I've never met someone who  
Could even compare to you  
Stronger than I ever knew  
Swimming downstream to the cold seas

I've never met someone who  
Could even compare to you  
Stronger than I ever knew  
Swimming downstream to the cold seas  
I've never met someone who  
Could even compare to you  
Stronger than I ever knew  
Swimming downstream to the cold seas  
(Oh, ooh, ooh, ooh  
Oooh, ooooh, ooh, ooh, ooh  
Oh, ooh, ooh, ooh  
Oh, ooh, ooh)
