

# Tonight (Best You Ever Had) [feat. Ludacris]

## John Legend

Ain't this what you came for  
Don't you wish you came, oh  
Girl what you're playing for  
Come on, let me kiss that  
Ooh, I know you miss that  
What's wrong, let me fix that  
Twist that  
Baby, tonight's the night I let you know  
Baby, tonight's the night we lose control  
Baby, tonight you need that, tonight believe that  
Tonight i'll be the best you ever had  
I don't wanna brag, but i'll be The best you ever had  
I don't wanna brag, but i'll be  
The best you ever had  
I hit you with the best flow Freestylin the breaststroke  
Til you blowing cigarette smoke  
And now the bed's broke  
So what we gon' do now  
F-ck it, round two now  
Work it out, then we cool down Cool down  
Baby, tonight's the night I let you know Baby, tonight's the night we lose control Baby, tonight  
you need that, tonight believe that  
Tonight i'll be the best you ever had  
I don't wanna brag, but i'll be The best you ever had  
I don't wanna brag, but i'll be  
The best you ever had  
Luda, listen  
You ain't even gotta text me  
Knowin' me and you got that mental telepathy  
Me be up at the spot  
I'll be sending over the chauffeur  
Rich n-gga bread, stay poppin' like a toaster  
Nobody come close to me and you together  
Step under my umbrella, we'll make it through any weather  
Except when I make it storm, sex in the greatest form  
And hibernate under my body  
Yep I keep it warmer than a chinchilla She know I beat it up like the thriller in Manila  
Flying my private jet to villas in Anguilla  
Than throw you on a grill  
Cause seven days a week you're my 5 course meal for real  
Baby, tonight's the night I let you know  
Baby, tonight's the night we lose control

Baby, tonight you need that, tonight believe that  
Tonight i'll be the best you ever had  
I don't wanna brag, but i'll be  
The best you ever had  
I don't wanna brag, but i'll be  
The best you ever had
