

Hunny

Dom

Blonde hair she didn't care
Couldn't tell what she was thinkin
Didn't know where I was sleeping
Getting wild my heart was on fire
I wanted to be hers for the weekend
She didn't tell me that she was sleeping

Listen here hunny
Breaking my heart ain't funny yow

Hanging out on the couch
I wonder if she thought I was creepy
Was watchin her just watchin the TV
I was an idiot
I shoulda went for it
I watched her walkin into the kitchen
And after that my hunny went missin

Listen here hunny
Breaking my heart ain't funny yow
