

Run to Her

Jennifer Warnes

If you've found another guy Who satisfies you more than I do Run to him, I'll step aside

If you think his lips can kiss you Better than my lips can kiss you Run to him, forget my pride

If someone else's arms can hold you Better than my arms can hold you Go to him and show to
him all your emotion

If someone else can make you Happier than I can make you Run to him, my tears will dry

If someone else's arms can hold you Better than my arms can hold you Go to him and show to
him all your emotion

If someone else can make you Happier than I can make you Run to him, my tears will dry

If it's me you want to love you I'll be more than glad to love you Hold you till your life is done
But, darling, if I'm not the one Then run to him...
