

Sugar High

Chappell Roan

Chocolate covered lover, you've never been so sweet before
Open our bodies, I quietly knock on your door
I, I, I just wanna sweet talk for a while Whisper all the things I absolutely adore
About your smile, it's like I'm in a candy store
Oh, Oh, Oh I love your sugar coating words Maybe it's the way the honey drips off of your lips
Maybe it's the taste of your caramel apple kiss
And your heart is so sweet
All that sugar loving, it belongs to me
Candy man, you are mine
You know how you get me, get me sugar high
High, oh, high
High, oh, high
Your cotton candy voice melts in my mouth as you speak
Beautiful boy, your words are made of poetry
I, I could listen to you all day
Maybe it's the way you laffy taffy love
Maybe it's the way you run your hands up my back And your heart is so sweet,
All that sugar loving, it belongs to me
Candy man, you are mine
You know how you get me, get me sugar high
High, oh, high
High, oh, high
Maybe it's the way you lay me down at night
Or how you turn November into hot summer July
And your heart is so sweet, all that sugar loving, it belongs to me
Candy man, you are mine
You know how you get me, get me sugar high
