

# U Are (feat. BRKLYN & Amba Shepherd)

## Paul Oakenfold

If I could start again  
There is not a single thing I'd change  
But I Wonder how  
I think of only when  
And I know it's true  
There is so much that I owe to you  
Only time will tell  
If the story ends well Am I dreaming or is there so much more to go  
You ought to know  
Is it possible we're (...) after all, after all  
You are, you are, you are the hope I need tonight, tonight  
I can't deny!  
You are, you are, you are the thruth deep down inside, inside  
Now I'm right!  
You are, you are, you are the dream that can't die, die  
And I can't hide!  
You are, you are, you are the only reason why!  
The only reason... Another time and place omens (...)  
I'll keep them safe, In case you're out of change,  
And I've been thinking now how could (...) with you around,  
If you need to know you still got my heart & soul, Am I dreaming or is there so much more to go  
You ought to know  
Is it possible we're (...) after all, after all  
You are, you are, you are the hope I need tonight, tonight  
I can't deny!  
You are, you are, you are the thruth deep down inside, inside  
Now I'm right!  
You are, you are, you are the dream that can't die, die  
And I can't hide!  
You are, you are, you are the only reason why!  
The only reason... You are, you are...  
You are, you are... You are, you are, you are the dream that can't die  
And I can't hide  
You are, you are, you are the only reason why You are, you are, you are the dream that can't die,  
die  
And I can't hide  
You are, you are, you are the only reason why  
The only reason...
