

# Sober

## Little Big Town

[Verse 1]

I want to walk that line a little crooked  
And live my life a little on the rocks  
Laugh at every time I fail  
Not afraid to make a fool of myself  
And keep on dancing when the music stops

[Chorus]

Because I love being in love  
It's the best kind of drug  
Drunk on the high, leaning on your shoulder  
Sweeter like a wine as it gets older  
When I die I don't want to go sober  
Oh, when I die, I don't want to go sober

[Verse 2]

You're like drinking from a never-ending bottle  
When I think it's gone there's always a little more left  
Lay back with you and close my eyes  
Let the big old world just spin on by  
And saying your name with my last breath

[Chorus](x3)

[Outro]

Oh, when I die, I don't want to go sober  
Oh, when I die, I don't want to go sober
