

Back of Your Mind

Jimmie Allen

[Verse 1]

Does he take your hand?
Does he make you laugh?
Tell me girl, is it a temporary thing?
Does he play with your hair?
Wrap you up in his arms?
Kiss your lips and watch you fall asleep?

[Pre Chorus]

You ain't gotta say it
But I know that you miss me 'cause

[Chorus]

My phone still rings with your name on it
You got a picture with him wearing the shirt that I bought you
You know he'll never do it like I do
That's why you send me a text after two in the morning
Everybody knows that he's holding you tonight
But you hold me in the back of your mind

[Verse 2]

Did you make a mistake, your little heartbreak?
What if I said I miss you too?
We can get it together girl, tell him it's over
I'm over missing you

[Pre Chorus]

I ain't gotta say it
We both know the truth 'cause

[Chorus]

My phone still rings with your name on it
You got a picture with him wearing the shirt that I bought you
You know he'll never do it like I do
That's why you send me a text after two in the morning
Everybody knows that he's holding you tonight
But you hold me in the back of your mind

[Bridge]

He might be the safe kind

But girl he ain't the right guy

[Chorus]

My phone still rings with your name on it
You got a picture with him wearing the shirt that I bought you
You know he'll never do it like I do
That's why you send me a text after two in the morning
Everybody knows that he's holding you tonight
But you hold me in the back of your mind

[Outro]

My phone still rings with your name on it
You got a picture with him wearing the shirt that I bought you, girl
Sending me a text at two in the morning, oh
Everybody knows that he's holding you tonight
But you hold me in the back of your mind
