

# I Don't Want You Back

AJ Mitchell

[Verse 1]

I've been waiting for the day you say you want me back  
I've been alone but baby, I can't seem to understand

[Pre-Chorus]

You threw my heart into the flames  
I took our pictures out the frames  
I tried to throw 'em out but I still keep 'em just in case  
If you're wondering if I still love you after so much time has passed  
Since you asked

[Chorus]

I don't really want you back  
I just want the life we had  
I don't really want you back  
No, I don't  
No, I don't really want you close  
I just needed you to know  
That I don't really want you back  
No, I don't

[Verse 2]

And I remember all the times you said you had my back  
But now we're separated, goin' down our separate paths

[Pre-Chorus]

You threw my heart into the flames  
I took our pictures out the frames  
I tried to throw 'em out but I still keep 'em just in case  
If you're wondering if I still love you after so much time away  
Here's what I'll say

[Chorus]

I don't really want you back  
I just want the life we had  
I don't really want you back  
No, I don't (I don't)  
And I don't really want you close  
I just needed you to know (I just needed you)  
That I don't really want you back

No, I don't

[Bridge]

But I don't wanna let you go  
No, I don't wanna let you go  
Oh, I don't wanna let you go  
No, I don't wanna let you go

[Chorus]

I don't really want you back  
I just want the life we had  
I don't really want you back  
No, I don't, oh  
No, I don't really want you close  
I just needed you to know  
That I don't really want you back  
No, I don't  
No, I don't

[Outro]

But I don't wanna let you go  
No, I don't wanna let you go  
No, I don't wanna let you go  
No, I don't wanna let you go  
No, I don't
