

Stuck In the Middle With You

Taylor John Williams

Well, I don't know why I came here tonight
I got the feeling that something ain't right
I'm so scared in case I fall off my chair
And I'm wondering how I'll get down the stairs
Clowns to left of me
Jokers to the right
Here I am, stuck in the middle with you
Yes, I'm stuck in the middle with you
And I'm wondering what it is I should do
It's so hard to keep this smile from my face
Losing control, yeah I'm all over the place
Clowns to left of me
Jokers to the right
Here I am, stuck in the middle with you
Well, you started off with nothing
And you're proud that you're a self-made man
And your friends all come calling
Slap you on the back and say:
Please!
Please! Trying to make some sense of it all
But I can see it makes no sense at all
Is it cool to go to sleep on the floor?
I don't think that I can take any more
Clowns to left of me
Jokers to the right
Here I am, stuck in the middle with you
Well, you started off with nothing
And you're proud that you're a self-made man
And your family all come calling
Slap you on the back and say:
Please!
Please!
Stuck in the middle with you
Stuck in the middle with you
Stuck in the middle with you
Stuck in the middle with you
