

# Slow Down

Selena Gomez

[Verse 1]

Now that I have captured your attention  
I wanna steal you for a rhythm intervention  
Mr. TSA, I'm ready for inspection  
Sh-sh-show me how you make a first impression

[Pre-Chorus]

Oh, oh  
Can we take it nice and slow, slow?  
Break it down and drop it low, low  
'Cause I just wanna party all night in the neon lights  
So you can't let me go

[Chorus]

I just wanna feel your body right next to mine  
All night long, baby, slow down the song  
And when it's coming closer to the end, hit rewind  
All night long, baby, slow down the song  
Yeah, baby, slow down the song  
Yeah, baby, slow down the song

[Verse 2]

If you want me, I'm accepting applications  
So long as we ke-keep this record on rotation  
You know I'm good with mouth-to-mouth resuscitation  
Breathe me in, breathe me out  
So amazing

[Pre-Chorus]

Oh, oh  
Can we take it nice and slow, slow?  
Break it down and drop it low, low  
Cause I just wanna party all night in the neon lights  
'Til you can't let me go

[Chorus]

I just wanna feel your body right next to mine  
All night long, baby, slow down the song  
And when it's coming closer to the end, hit rewind  
All night long, baby, slow down the song

Yeah, baby, slow down the song  
Yeah, baby, slow down the song

[Bridge]

(Breathe me in, breathe me out)  
The music's got me going  
(Breathe me in, breathe me out)  
No stopping 'til the morning  
(Breathe me in, breathe me out)  
You know I'm ready for it, for it, for it, yeah  
(Breathe me in, breathe me out)  
The music's got me going  
(Breathe me in, breathe me out)  
No stopping 'til the morning  
(Breathe me in, breathe me out)  
You know I'm ready for it, for it, for it, yeah

[Interlude]

It's The Cataracs

[Chorus]

I just wanna feel your body right next to mine  
All night long, baby, slow down the song  
And when it's coming closer to the end, hit rewind  
All night long, baby, slow down the song  
Yeah, baby, slow down the song  
Yeah, baby, slow down the song

[Outro]

How do I do it?  
It's The Cataracs  
Ha ha ha
