

# Both

## Ingrid Andress

Casual, you're keeping it casual  
Nothing too meaningful, nothing too rational, no no  
So why do you text me saying you miss me? Staying in my place, it's kinda confusing You're  
blurring the lines, you're playing two sides  
Just make up your mind You can tell me to stay, you can push me away  
Have space or get close  
But you can't do both  
You can kiss me goodnight or kiss me goodbye  
Baby, love me or don't  
But you can't do, you can't do both  
Impossible, you make it impossible to know what you really want  
It's so irresponsible, yeah, yeah  
So what does it mean when you're telling me secrets?  
I'm spilling mine and we're just getting deeper You're blurring the lines, you're playing two sides  
Just make up your mind You can tell me to stay, you can push me away  
Have space or get close  
But you can't do both  
You can kiss me goodnight or kiss me goodbye  
Baby, love me or don't  
But you can't do, you can't do both You can tell me to stay, you can push me away  
Have space or get close  
But you can't do both  
You can kiss me goodnight or kiss me goodbye  
Baby, love me or don't  
But you can't do, you can't do both  
You can't do, you can't do both  
You can't do both, you can't do both  
Yeah yeah  
So why do you text me saying you miss me?  
Staying in my place, it's kinda confusing  
You're blurring the lines, you're playing two sides  
Just make up your mind
