

Where It Ends

Bailey Zimmerman

This is where it ends
I've been down a few broken roads that I'm tryin' to mend
But this is where it ends
And I'm breakin' down
You were lyin' when you said that you were trying to work thangs out
But now I'm broken down
Went to battle for ya always
Fought for ya on your worst days
Then you told me that you don't love me no more
You're the last thang that I thought I'd lose
All I ever wanted was to be loved by you
I let you back in, and I gave you a second chance
Like a jet plane on a clear blue sky
Sun came shinin' down on all your lies
I got too much pride to let that happen again
So this is where it ends
Had to bury all your memories
Couldn't see what everybody sees
A red flag said I should've walked out that door
Went to battle for ya always
Fought for ya on your worst days
Then you told me that you don't love me no more
You're the last thang that I thought I'd lose
All I ever wanted was to be loved by you
I let you back in, and I gave you a second chance
Like a jet plane on a clear blue sky
Sun came shinin' down on all your lies
I got too much pride to let that happen again
So this is where it ends, ends, ends
Yeah, this is where it ends
You're the best thang that ever happened to me
You showed me what true love shouldn't be
I found myself the second I gave up on us
You're the last thang that I thought I'd lose
All I ever wanted was to be loved by you
I let you back in, and I gave you a second chance
Like a jet plane on a clear blue sky
Sun came shinin' down on all your lies
I got too much pride to let that happen again
So this is where it ends
