

Past Life

Trevor Daniel

I'm trying to be honest with my happiness
Don't know why I'm bad at this, uh
And I don't want to sit all in my sadness I know it's a habit of mine Perfect, perfect timing
I start but I don't know how to end
Don't re-, don't remind me
I ruined it before it began, ooh Last night was the last night of my past life
Got me here like you can never figure me out
Last night was the last time, was the last time
I'll never let you figure me out Sitting here, talking to myself
Thinking how I used to use you
Only thing I'm used to
Last night was the last night of my past life, woah
Gave me what I wanted when I needed it
Honestly, I mean it
And if I could convince myself to feel it
You know I would feel it, I would Perfect, perfect timing
I start but I don't know how to end
Don't re-, don't remind me
I ruined it before it began, woah Last night was the last night of my past life
Got me here like you can never figure me out
Last night was the last time, was the last time
I'll never let you figure me out Sitting here, talking to myself
Thinking how I used to use you
Only thing I'm used to
Last night was the last night of my past life, woah
Ooh, woah, woah, woah
Ooh, woah, woah, woah Last night was the last night of my past life
Got me here like you can never figure me out
Last night was the last time, was the last time
I'll never let you figure me out Sitting here, talking to myself
Thinking how I used to use you
Only thing I'm used to
Last night was the last night of my past life, woah Ooh, woah, woah, woah
Ooh, woah, woah, woah
Ooh, woah, woah, woah
Ooh, woah, woah, woah Where we've been, where we know
Will never go away
Will never go away
