

# You & I

## RHODES

[Verse 1]

I don't mind if you lie with me  
You're my friend  
I don't like to hide  
Think about all the finer things  
In our lives  
And how time can fly

[Chorus]

Oh is it still you and I, forever?  
Is it still you and I, forever?

[Post-Chorus]

Whether you like it or you don't  
Sometimes we live alone  
If we can find a little hope  
We can make it on our own

[Verse 2]

I don't mind if you cry with me  
You're my friend  
I know times can get hard

[Chorus]

Oh is it still you and I, forever?  
Is it still you and I, forever?

[Bridge]

Come on  
You're close to me  
Come on  
So talk to me  
Come on  
Lay with me  
Come on  
You're close to me  
Come on  
Talk to me  
Come on

Get close to me

(You and I)

Is it still?

Is it still you and I, forever?
