

# They

## Jem

Who made up all the rules  
We follow them like fools  
Believe them to be true  
Don't care to think them through I'm sorry  
So sorry  
I'm sorry  
It's like this  
I'm sorry  
So sorry  
I'm sorry  
We do this  
And it's ironic too  
'Cause what we tend to do  
Is act on what they say  
And then it is that way I'm sorry  
So sorry  
I'm sorry  
It's like this  
I'm sorry  
So sorry  
I'm sorry  
We do this Who are they  
Where are they  
How can they possibly know all this Who are they  
Where are they  
How can they possibly know all this  
Do you see what I see  
Why do we  
Live like this  
Is it because it's true  
That ignorance is bliss Who are they  
Where are they  
How do they know all this  
I'm sorry  
So sorry  
I'm sorry  
It's like this Do you see what I see  
Why do we  
Live like this  
Is it because it's true  
That ignorance is bliss  
Who are they

Where are they  
How can they know all this  
I'm sorry  
So sorry  
I'm sorry  
We do this
