

Come Alive (Dry Bones)

Lauren Daigle

[Verse 1]

Through the eyes of men it seems there's so much we have lost
As we look down the road where all the prodigals have walked
One by one the enemy has whispered lies and led them off as slaves

[Verse 2]

But we know that You are God, Yours is the victory
We know there is more to come that we may not yet see
So with the faith You've given us, we step into the valley unafraid, yeah

[Chorus]

As we call out to dry bones, "Come alive, come alive"
We call out to dead hearts, "Come alive, come alive"
Up out of the ashes, let us see an army rise
We call out to dry bones, "Come alive"

[Verse 3]

God of endless mercy, God of unrelenting love
Rescue every daughter, bring us back the wayward sons
And by Your spirit breathe upon them
Show the world that You alone can save
You alone can save

[Chorus]

As we call out to dry bones, "Come alive, come alive"
We call out to dead hearts, "Come alive, come alive"
Up out of the ashes, let us see an army rise
We call out to dry bones, "Come alive"

[Bridge]

So breathe, oh breath of God
Now breathe, oh breath of God
Breathe, oh breath of God
Now breathe
Breathe, oh breath of God
Now breathe, oh breath of God
Breathe, oh breath of God
Now breathe

[Chorus]

As we call out to dry bones, "Come alive, come alive"
We call out to dead hearts, "Come alive, come alive"
Up out of the ashes, let us see an army rise
We call out to dry bones, "Come alive", yeah

We call out to dry bones, "Come alive... oh come alive"
