Tint da whole thang big money heavy weight
A hunn'd stacks, spend 50 on a caddy, 25 on da pinky
Bought a pound of blow en bounced back
Matchin grills, big houses on da hills
Got dem hoes in da kitchen all cookin, payin bills

I start to holler, dollar after dollar
Flippin' chickens gettin' tickets want da money en da power.
Born stunna, uptown hunter

Ya know we shine every summer, we grin' every summer
En dis is how we spend money

Dem ounces en dem grams, bitch, we was born hustlas
