

# Stay with Me

Sarah Jaffe

You say go, I'll go  
If you wanted to take it slow  
We'll take it slow  
Put your hands over my eyes  
I'm happy to be blind

I'll be damned  
It's happening again  
In minutes we'll see ourselves  
In a whole new light  
And pieces from our shelves  
Will take flight

Please stay with me  
Stay with me  
You say go, I'll go  
If you wanted to take it slow  
We'll take it slow  
Put your hands over my eyes  
I'm happy to be blind

I'll be damned  
It's happening again  
In minutes we'll see ourselves  
In a whole new light  
And pieces from our shelves  
Will take flight

Please stay with me  
Stay with me
