

# Happy Birthday

Stevie Wonder

You know it doesnt make much sense  
There ought to be a law against  
Anyone who takes offense  
At a day in your celebration  
cause we all know in our minds  
That there ought to be a time  
That we can set aside  
To show just how much we love you  
And Im sure you would agree  
It couldnt fit more perfectly  
Than to have a world party on the day you came to be  
Happy Birthday to you  
Happy Birthday  
Happy Birthday to you  
Happy Birthday to you  
Happy BirthdayI just never understood  
How a man who died for good  
Could not have a day that would  
Be set aside for his recognition  
Because it should never be  
Just because some cannot see  
The dream as clear as he  
That they should make it become an illusion  
And we all know everything  
That he stood for time will bring  
For in peace our hearts will sing  
Thanks to martin luther king  
Happy Birthday to you  
Happy Birthday to you  
Happy Birthday  
Happy Birthday to you  
Happy Birthday to you  
Happy BirthdayWhy has there never been a holiday  
Where peace is celebrated  
All throughout the world  
The time is overdue  
For people like me and you  
Who know the way to truth  
Is love and unity to all gods children  
It should never be a great event  
And the whole day should be spent  
In full remembrance  
Of those who lived and died for the oneness of all people  
So let us all begin

We know that love can win  
Let it out dont hold it in  
Sing it loud as you canHappy Birthday to you  
Happy Birthday to you  
Happy BirthdayHappy Birthday to you  
Happy Birthday to you  
Happy BirthdayHappy Birthday to you  
Happy Birthday to you  
Happy BirthdayHappy Birthday to you  
Happy Birthday to you  
Happy BirthdayHappy Birthday  
Happy Birthday  
Happy Birthday  
Ooh yeah  
Happy Birthday...  
We know the key to unify all people  
Is in the dream that you had so long ago  
That lives in all of the hearts of people  
That believe in unity  
Well make the dream become a reality  
I know we will  
Because our hearts tell us soHappy Birthday  
Happy Birthday  
Happy Birthday...
