

# Mine

## Taylor Swift

You were in college working part time, waiting tables  
Left a small town, never looked back  
I was a flight risk, with a fear of falling  
Wondering why we bother with love if it never lasts I say, can you believe it?  
As we're lying on the couch  
The moment I can see it  
Yes, yes

I can see it now Do you remember we were sitting there by the water?  
You put your arm around me for the first time  
You made a rebel of a careless man's careful daughter  
You are the best thing that's ever been mine  
Flash forward and we're taking on the world together  
And there's a drawer of my things at your place  
You learn my secrets and you figure out why I'm guarded  
You say we'll never make my parent's mistakes But we got bills to pay  
We got nothing figured out  
When it was hard to take  
Yes, yes

This is what I thought about Do you remember we were sitting there by the water?  
You put your arm around me for the first time  
You made a rebel of a careless man's careful daughter  
You are the best thing that's ever been mine Do you remember all the city lights on the water?  
You saw me start to believe for the first time  
You made a rebel of a careless man's careful daughter  
You are the best thing that's ever been mine  
And I remember that night, 2:30 AM  
As everything was slipping right out of our hands  
I ran out crying and you followed me out into the street Braced myself for the goodbye  
Cause that's all I've ever known  
Then you took me by surprise  
You said I'll never leave you alone You said  
I remember how we felt sitting by the water  
And every time I look at you, it's like the first time  
I fell in love with a careless man's careful daughter  
She is the best thing that's ever been mine  
Hold on, make it last  
Hold on, never turn back  
You made a rebel of a careless man's careful daughter  
You are the best thing that's ever been mine  
Do you believe it?  
We're gonna make it now  
And I can see it

I can see it now
