

LIKE I WOULD

ZAYN

[Zayn]

Hey what's up! It's been a while...
Talking 'bout it's not my style
Thought I'd see what's up
While I'm lightin' up
(It's cold-hearted! Cold-hearted...)
Know it's late but I'm so wide
Saw you facing God in spite
Cause you let it go, now you're good to go
(It's cold-hearted! Cold-hearted...)

(Oh oh)

This is probably gonna sound wrong
Promise it won't last long
(Oh oh)
If we can never go back
Thought you'd like to know that

He, won't touch you like I do
He, won't love you like I would
He don't know your body
He don't do you right
He won't love you like I would
Love you like I would Talkin' don't want me, cause I want you
Been thinkin' it over, but I prove
So stop wasting all my time, messing with my mind
It's cold-hearted, it's cold-hearted

Oh oh

This is probably gonna sound wrong
Promise it won't last long
Oh oh
If we can never go back
Thought you'd like to know that

He, won't touch you like I do
He, won't love you like I would
He don't know your body
He don't do you right
He won't love you like I would
Love you like I would

He can't love you like I would
He can't love you like I would
He don't know your body
He don't know your body

He, won't touch you like I do
He, won't love you like I would
He don't know your body
He don't do you right
He won't love you like I would
Love you like I would
Like I would

He, won't touch you like I do
He, won't love you like I would
He don't know your body
He don't do you right
He won't love you like I would
Love you like I would
Like I would

He, won't touch you like I do
He, won't love you like I would
He don't know your body
He don't do you right
He won't love you like I would

(LIKE I WOULD...)
