

# I'm Feeling You

## Santana

Sometimes I imagine the world without you  
But most time I'm just so happy that I ever found you  
    Its a complicated web  
    That you weave inside my head  
    So much pleasure with such pain  
We always always stay the same I'm feeling the way you cross my mind  
    And you save me in the knick of time  
    I'm riding the highs I'm digging the lows  
    Cuz at least I feel alive  
    I never faced so many emotional days  
    But my life is good I'm feeling you  
    I'm feeling you  
    You go and then I can finally breath in  
    Cuz baby I know in the end you're never leaving  
    Well we rarely ever sane  
    I drive you crazy and you do the same  
    But your fire fills my soul  
And it warms me up like no one knows I'm feeling the way you cross my mind  
    And you save me in the knick of time  
    I'm riding the highs I'm digging the lows  
    Cuz at least I feel alive  
    I never faced so many emotional days  
    But my life is good  
    I'm feeling you  
    I'm feeling you  
    I'm feeling the way you cross my mind  
    And you save me in the knick of time  
    I'm riding the highs I'm digging the lows  
    Cuz at least I feel alive  
I never faced so many emotional days Oh I'm feeling the way you cross my mind  
    And you save me in the knick of time  
    I'm riding the highs I'm digging the lows  
    Cuz at least I feel alive  
    I never faced so many emotional days  
    But my life is good  
    I'm feeling you  
    I'm feeling you  
    I'm feeling you  
I'm feeling you Oh I'm feelin' the way that you cross my mind  
    And the way that you save me in the nick of time  
    Oh I'm feelin' the way when you walk on by

I feel light, I feel love, I feel butterflies I feel butterflies
