

# Waffle House

## Good Times Ahead & Flosstradamus

Yo, drop that shit

House, house, house, house  
House, house, house  
Waffle, waffle, waffle house  
House, house, house, house  
House, house  
Checkin' them waffles  
Waffle house  
House, house, house, house  
House, house, house  
Waffle, waffle, waffle house  
House, house, house, house  
House, house  
Checkin' them waffles  
Waffle house  
That's disturbing  
Yo, drop that shit

House, house, house, house  
House, house, house  
Waffle, waffle, waffle house  
House, house, house, house  
House, house  
Checkin' them waffles  
Waffle house  
House, house, house, house  
House, house, house  
Waffle, waffle, waffle house  
House, house, house, house  
House, house  
Checkin' them waffles  
Waffle house

Checkin' them waffles  
Waffle house
