

# Face Drop

Sean Kingston

Kingston, hey, face drop, oh  
Kingston, I see your face drop, drop, drop

You touch my heart, disappear  
I never knew how much it hurt here  
(Made me feel like ooh ooh ooh)  
My girl, girl, girl, girl, girl

First came trust, then came love  
But this was none of the above, I'm aware  
(Made me feel like ooh ooh ooh)  
My girl, girl, girl, girl, girl, hey

Weren't you the one who said  
That I'd be lost without you  
(No, no, no, no)  
You had your fun, couldn't write  
This one without you, baby  
(No, no, no)

And now I see your face drop  
I told you not to leave me alone  
And now that I got my own  
I see your face drop  
I told you not to count me out, hey  
Cause you always try to fill me with doubt  
Sayin' that I look better if I was thinner  
Don't you know you shoulda love me for my inner  
When I left you, yo, I came out a winner

Did all I can, I understand  
That every girl do for their man  
(Made me feel like ooh ooh ooh)  
My girl, girl, girl, girl, girl

I cut it short, cause you got caught  
You're not the girl you used to be no more  
(Made me feel like ooh ooh ooh)  
My girl, girl, girl, girl, girl

Weren't you the one who said  
That I'd be lost without you  
(No, no, no, no)  
You had your fun, couldn't write  
This one without you, baby  
(No, no, no)

And now I see your face drop  
I told you not to leave me alone  
And now that I got my own  
I see your face drop  
I told you not to count me out  
Cause you always try to fill me with doubt  
Sayin' that I look better if I was thinner  
Don't you know you shoulda love me for my inner  
When I left you, yo, I came out a winner oh oh oh oh

Tellin' me come on back, what will I do from that?  
I would still, still be yours if you knew how to act  
But you underestimate a dude like me  
And I love it when I see your

Face drop, I told you not to leave me alone  
And now that I got my own  
I see your face drop  
I told you not to count me out  
Cause you always try to fill me with doubt  
Sayin' that I look better if I was thinner  
Don't you know you shoulda love me for my inner  
When I left you, yo, I came out a winner

And now I see your face drop  
I told you not to leave me alone  
And now that I got my own  
I see your face drop  
I told you not to count me out  
(Thank you beautiful)  
Cause you always try to fill me with doubt  
Sayin' that I look better if I was thinner  
(Thank you beautiful)  
Don't you know you shoulda love me for my inner  
When I left you, yo, I came out a winner
