

A Million Keys

TiRon & Ayomari

[TiRon]

No, no gravity

Even a bit

Ain't it a trip?

See, everything ain't what it seems

Is it a dream?

What does it mean?

[Chorus]

Yeah, don't eat the fruit! (Oooh!)

Don't eat the fruit!

Don't drink the water!

Nah, don't eat the fruit! (Oooh!)

Don't eat the fruit!

Don't drink the water!

[TiRon]

Be beyond the box

A million keys without a lock

See all I know is all I know

What do we know?

What can it be?

[Chorus]

Yeah, don't eat the fruit! (Oooh!)

Don't eat the fruit!

Don't drink the water!

Nah, don't eat the fruit! (Oooh!)

Don't eat the fruit!

Don't drink the water!

[Post Chorus]

Nah nah nah nah nah nah nah

Nah nah nah nah nah

Nah nah nah nah nah nah nah nah

[TiRon]

Uh, tadaow

Now how on Earth does it work?

We circle wrong from birth?

Or, is it just wrong cause it hurts?

Simply put, it all connects

I guess your guess is good as mine, huh?

[Ayomari]

I know, I know, I know

Too much, too much

Brain overload

Is it free will or under control?

I know what I think I know

Oh no, I'm in thinking mode

[TiRon & Ayomari]

Aye ya ya ya

[Ayomari]

I don't know what to think anymore

[TiRon & Ayomari]

Aye ya ya ya

[TiRon]

Come to think of it, maybe I'm thinking too much

[TiRon & Ayomari]

Ooooooh

[Ayomari]

Up jumps the way

What ya say, what ya say now?

[Chorus]

Yeah, don't eat the fruit! (Oooh!)

Don't eat the fruit!

Don't drink the water!

Nah, don't eat the fruit! (Oooh!)

Don't eat the fruit!

Don't drink the water!

[Post Chorus]

Nah nah nah nah nah nah nah

Nah nah nah nah nah

Nah nah nah nah nah nah nah nah

Nah nah nah nah nah nah nah

Nah nah nah nah nah

Nah nah nah nah nah nah nah nah

[Outro]

Say no

Please don't
