

April (feat. Airling)

LANKS

[verse]

Have you ever felt it?
When you broke a loved one?
She only cried a whisper
But in my ears it thundered

[Chorus]

Summer doesn't ring true, you wanted to be
Starting over brand new, but you fall
Summer doesn't ring true, with this cold chill clinging to me
Can we start anew?

[verse]

I'm a sum of broken parts
Let me reassemble yours
Stay with me till you're no longer
Burdened by a broken heart

[Chorus]

Summer doesn't ring true, you wanted to be
Starting over brand new, but you fall
Summer doesn't ring true, with this cold chill clinging to me

Can we start anew?
