

Father and Son

[Cat Stevens](#)

It's not time to make a change
Just relax and take it easy
You're still young That's your fault
There's so much you have to know
Find a girl, settle down
If you want you can marry
Look at me
I am old but I'm happy
I was once like you are now
and I know it's not easy
to be calm, when you found, something going on
take your time, think a lot
think of everything you've got
for you may still be here tomorrow, but your dreams may not
How can I try to explain
When I do, he turns away again
It has always been the same, same old story
From the moment I could talk I was ordered to listen
Now there's a way and I know that I have to go away
I know I have to go
