LANKS

[written by LANKS]

[produced by LANKS & Ross Beaton]

[mixed/mastered by Andrei Eremin]

[Verse 1]

I let you down

I scream for help but only

After you drown

My nights are cold and lonely

[Verse 2]

I let you down

I scream for help but only

After you drown

My nights are cold and lonely

[Refrain]

Hold me closer

Hold me like this

Hold me in the dead of night

[Refrain]

Hold me closer

Hold me like this

Hold me in the dead of night
