

Dusk Till Dawn

Kurt Hugo Schneider & Kirsten Collins

[Verse 1]

Not tryna be indie
Not tryna be cool
Just tryna be in this
Tell me, are you too?
Can you feel where the wind is?
Can you feel it through
All of the windows
Inside this room?

[Interlude]

'Cause I wanna touch you baby
And I wanna feel you too
I wanna see the sunrise
On your sins just me and you

[Pre-Chorus]

Light it up, on the run
Let's make love tonight
Make it up, fall in love, try

[Chorus]

But you'll never be alone
I'll be with you from dusk till dawn
I'll be with you from dusk till dawn
Baby, I am right here
I'll hold you when things go wrong
I'll be with you from dusk till dawn
I'll be with you from dusk till dawn
Baby, I am right here

[Post-Chorus]

I'll be with you from dusk till dawn
Baby, I am right here

[Verse 2]

We were shut like a jacket
So do your zip
We would roll down the rapids
To find a wave that fits

Can you feel where the wind is?
Can you feel it through
All of the windows
Inside this room?

[Interlude]

'Cause I wanna touch you baby
And I wanna feel it too
I wanna see the sunrise
On your sins just me and you

[Pre-Chorus]

Light it up, on the run
Let's make love tonight
Make it up, fall in love, try

[Chorus]

But you'll never be alone
I'll be with you from dusk till dawn
I'll be with you from dusk till dawn
Baby, I am right here
I'll hold you when things go wrong
I'll be with you from dusk till dawn
I'll be with you from dusk till dawn
Baby, I am right here

[Post-Chorus]

I'll be with you from dusk till dawn
Baby, I am right here

[Bridge]

Could give love to your body
So, only you that can stop it
Go, give love to your body
So, only you that can stop it
Go, give love to your body
So, only you that can stop it
Go, give love to your body
Go, give love to your body

[Chorus]

But you'll never be alone
I'll be with you from dusk till dawn
I'll be with you from dusk till dawn
Baby, I am right here
I'll hold you when things go wrong
I'll be with you from dusk till dawn
I'll be with you from dusk till dawn

Baby, I am right here

[Post-Chorus]

I'll be with you from dusk till dawn

Baby, I am right here

[Outro]

I'll be with you from dusk till dawn

Baby, I am right here
