

Under You

Nick Jonas

Cigarette

That I never got a chance to hit

But in my mind

Baby I can taste your lips

Taste your lips

I was so foolish

On some stupid shit

Should have never let you go

Knowing that you left

Messes with me head

Shadows of you haunt me now

So I'll never get over

Never get over

Getting under you

Getting under you

No I'll never get over

Never get over

Getting under you

Getting under you

Poured a glass

But I never got to take a sip

Take a sip

I've been around the world

But baby you're my only fix

Only fix

I was so foolish

On some stupid shit

Should have never let you go

Knowing that you left

Messes with me head

Shadows of you haunt me now

So I'll never get over

Never get over

Getting under you

Getting under you

No I'll never get over

Never get over

Getting under you

Getting under you

So I'll never get over

Never get over

Getting under you

Getting under you
No I'll never get over
Never get over
Getting under you
Getting under you
