

# Jason Statham, Pt. 2

## Pivot Gang

[Verse 1: Joseph Chilliams & Saba]

Yes, run down

I'm in my glow like sundown

Like I'm out front, come down

I can pull off a man bun now

Hang in the bed like a funhouse

Beautiful day to unblouse

I use my pictures to arouse

Kissy face with my tongue out

I'm tryna eat it like Wow Bao

I'm from Chicago like Wildstyle

Guns get drawn like, "Pow pow"

And I definitely don't remember how now

Wade in the water like Bruce Lee

Everyone wanna know, "Who's he?"

I'm in the sky like Lucy

Aren't you real stupid, Goofy

Feelin' ripe like a mango

Pivot ride like Range Rove'

It's ill advice to remain foe

And your eyes may remain closed

When we kiss under the rainbow

Fashionista in my same clothes

Run the check like Usain Bolt

Disrespect, no I can't go

Yeah (Uh)

[Chorus: Saba]

On my land like a landlord (Ayy, uh)

Airplane mode the phone, I don't answer (Uh)

I got stamps in the passport

Runnin' from the feds, but I hop back in the Lamb' though

And I'm with my bands so (Yeah)

I cannot play no games (No)

Takin' off right away (Ayy)

Rushin' on me, they bang (Hey)

I do not raise your ways (Aw)

Transport, Jason Statham (Aw)

This is my song verbatim (Hey)

Transport, Jason Statham (Aw)

[Verse 2: MfnMelo & Saba]

Ayy, we all pretty like DeBarges

Feet planted, takin' charges

UFO, we had some hardship  
Slimy like a martian  
We so out of this world  
I sold out as your girl  
She goin' once just like an auction  
Such a Laker fan in Boston  
They just hatin' 'cause I'm awesome  
Hate that I miss my nigga Earl  
So I'm twistin' in the Pearl  
Big drip, I'm christenin' the world  
Bless the niggas feelin' godly  
Man do a pop up like an ollie  
I've seen Kobe thanks to Molly  
I rap tight just like tamales (Yeah)  
[Chorus: Saba]  
On my land like a landlord (Ayy, uh)  
Airplane mode the phone I don't answer (Uh)  
I got stamps in the passport  
Runnin' from the feds, but I hop back in the Lamb' though  
And I'm with my bands so (Yeah)  
I cannot play no games (No)  
Takin' off right away (Ayy)  
Rushin' on me, they bang (Hey)  
I do not raise your ways (Aw)  
Transport, Jason Statham (Aw)  
This is my song verbatim (Hey)  
Transport, Jason Statham (Aw)
