

Conversations in the Dark

John Legend

[Verse 1]

Talk, let's have conversations in the dark
World is sleeping, I'm awake with you, with you
Watch?movies?that we've both?already seen
I ain't even looking at?the screen
It's true, I got my eyes on you

[Pre-Chorus]

And you say that you're not worth it
You get hung up on your flaws
Well, in my eyes, you are perfect as you are

[Chorus]

I won't ever try to change you, change you
I will always want the same you, same you
Swear on everything I pray to
That I won't break your heart
I'll be there when you get lonely, lonely
Keep the secrets that you told me, told me
And your love is all you owe me
And I won't break your heart

[Verse 2]

On Sunday mornings we sleep in 'til noon
Oh, I could sleep wherever next to you, next to you
And we, we got places we both gotta be
But there ain't nothing I would rather do
Than blow off all my plans for you

[Pre-Chorus]

And you say that you're not worth it
And get hung up on your flaws
But in my eyes, you are perfect as you are
As you are

[Chorus]

I won't ever try to change you, change you
I will always want the same you, same you
Swear on everything I pray to
That I won't break your heart

I'll be there when you get lonely, lonely
Keep the secrets that you told me, told me
And your love is all you owe me
And I won't break your heart

[Bridge]

When no one seems to notice
And your days, they seem so hard
My darling, you should know this
My love is everywhere you are

[Chorus]

I won't ever try to change you, change you (Yeah)
I will always want the same you, same you (Oh-oh)
Swear on everything I pray to
That I won't break your heart (Yeah)
I'll be there when you get lonely, lonely (Oh, when you get lonely)
Keep the secrets that you told me, told me (Yeah-yeah)
And your love is all you owe me
And I won't break your heart

[Outro]

Ooh
Ooh
I won't break your heart
