

# Pushed Away

## Tristam & Rogue

You gave me the power to survive.  
Gave me the will to live my life.  
Now that you pushed me away.  
Find it so hard to believe, find it so hard to be me...  
Quand je vois ton sourire.  
Je me demande sera-t-il le mien?  
Encore une fois, toi et moi, main dans la main.  
Maintenant je vois ta décision.  
Je resterai dans ma maison.  
La maison de mon coeur, celle de verre, que j'aurai dû bâtir avec de la pierre...  
I pushed away...  
I pushed you away...  
It's too late to come back now.  
I'm gonna close the doors to my heart.  
[Chorus]  
I pushed away...  
[Chorus]  
I pushed away...  
I pushed you away...  
It's too late to come back now.  
I'm gonna close the doors to my heart...  
Some cut-off voices.  
I pushed away...  
I pushed you away...  
It's too late to come back now.  
I'm gonna close the doors to my heart.  
[Chorus]  
You gave me the power to survive.  
Gave me the will to live my life.  
Now that you pushed me away.  
Find it so hard to believe, find it so hard to be me...  
Enjoy!
