

# Power to Redeem

Lauren Daigle

[Verse 1: Lauren Daigle]

You take what is  
And you make it beautiful  
When love floods in  
We're restored forever more

[Chorus: Lauren Daigle]

With breath it brings the dead to life  
With words that pierce the dark with light  
Only by the blood are we set free  
With mercy strong to carry shame  
And nail it to a tree You alone  
Hold the power to redeem

[Verse 2: Lauren Daigle & All Sons & Daughters]

No guilt competes  
With innocence crucified  
No grave can hold  
What your grace has justified

[Chorus: Lauren Daigle]

With breath it brings the dead to life  
With words that pierce the dark with light  
Only by the blood are we set free  
With mercy strong to carry shame  
And nail it to a tree You alone  
Hold the power to redeem

[Bridge: Lauren Daigle]

Rejoice oh child of God  
Lift your eyes to see  
With every morning light  
Again we are redeemed

[Bridge: Lauren Daigle & All Sons & Daughters]

Rejoice oh child of God  
Lift your eyes to see  
With every morning light  
Again we are redeemed

[Chorus: Lauren Daigle & All Sons & Daughters]

Oh with breath it brings the dead to life  
With words that pierce the dark with light  
Only by the blood are we set free  
With mercy strong to carry shame  
And nail it to a tree You alone  
Hold the power to redeem  
Oh you alone, hold the power to redeem  
Oh you alone, hold the power to redeem
