

Ruler of My Heart

Norah Jones, Robert Randolph & The Dirty Dozen Brass Band

Ruler of my heart
ruler of my soul
where can you be
I wait patiently My heart cries out
pain inside
where can you be
I wait patiently When you're alone
going get rough
come back, come back, come back, baby
I've had enough
Make me queen
happy again
here my cry
and ease my pain When you're alone
going gets rough
come back, come back, come back, baby
I've had enough
Make me queen
happy again
hear me cry
ease my pain
