

# Under Control

## The Internet

I woke up impatient and anxious  
Chasin' dreams in my sleep  
Got me feeling like I made it  
Then I wake up and see  
Frustration, tracing for payment  
Thankfully they know me  
Can't get enough of the paper (Get enough of the paper) I know you love it babe, 'cause I'm a  
risk  
Bet if you put it on, Imma win  
And if you give it to me, I won't forget  
When Im a legend baby, and we're all rich I need you to know  
It's under control, I got it  
And as it unfolds, I got you, I promise  
I promise I'm on it  
I can't help but feel like I'm wastin', pecious time in my life  
Worrying about my behaviors, sometimes I think I'm too nice  
I know I'm destined for greatness, fuck a critic's advice  
They hatin' 'cause I'm a player (they hatin' 'cause I'm a player) I know you love it babe, 'cause  
I'm a risk  
Bet if you put it on, Imma win (Imma)  
And if you give it to me, I won't forget (I won't forget)  
When Im a legend baby, and we're all rich I need you to know  
It's under control, I got it (I got it)  
And as it unfolds, I got you I promise  
I promise I'm on it When it's all said and done  
I've said all I want  
You know I'm tellin' you the truth  
When I say take I'll take care of you  
Yeah, yeah  
But look, I need you to know (it can only get better from here)  
It's under control, I got it (I got it babe)  
And as it unfolds, I got you, I promise  
I promise I'm on it  
I need you to know  
It's under control, I got it  
And as it unfolds, I got you, I promise  
I promise I'm on it
