

# Morning In America

Jon Bellion

1600, 1600, 1600 on the SATs  
Said they gettin', said they gettin', said they gettin' me an SUV  
Just a couple miles from the lights of the city  
Pour a little liquor in my Starbucks Venti  
Just 11, just 11 when they said I had the ADDI've been trying to keep up with all of these great  
expectations  
So I keep on fakingWe're secretly out of control, nobody knows it  
But my mom's got a problem with oxy's and she's angry  
Cause my dad's office door's always closed but I stop knocking  
Yeah, we're secretly out of control and everyone knows  
Oh, it's morning in America  
Oh, it's morning in America  
Oh, it's morning in America  
Oh, it's morning in America  
At the locker, at the locker, at the locker selling time reliefs  
Where's the party? Where's the party?  
Where's the party? There's a house empty  
Didn't learn a lesson, didn't use protection, doesn't wanna keep the baby  
Throwing up in the alley, in the alley, older brother looking for meWe're secretly out of control,  
nobody knows it  
But my mom's got a problem with oxy's and she's angry  
Cause my dad's office door's always closed but I stop knocking  
Cause there's some things I don't wanna know  
We're secretly out of control, nobody says it  
When the class president overdosed, we all pretended  
It was real, it was shocking and all the town was talking  
Yeah, we're secretly out of control and everyone knows  
Oh, it's morning in America  
Oh, it's morning in America  
And everyone knows  
Oh, it's morning in America  
Oh, it's morning in America  
No, no  
No, no  
We're secretly out of control, nobody knows me  
And my friends all addicted to porn, can't keep a girlfriend  
Cause the great expectations got all us imitating  
Yeah, we're secretly out of control and everyone knowsWe're secretly out of control, nobody  
knows it  
But my mom's got a problem with oxy's and she's angry  
Cause my dad's office door's always closed but I stop knocking  
Cause there's some things I don't wanna know

We're secretly out of control, nobody says it  
When the class president overdosed, we all pretended  
It was real, it was shocking and all the town was talking  
Yeah, we're secretly out of control and everyone knows  
Oh, it's morning in America  
Oh, it's morning in America  
And everyone knows  
Oh, it's morning in America  
Oh, it's morning in America  
And everyone knows
