

Wet Day In September

Pussycat

Wet days in September
Raindrops fallin' tender
As I stare outside my window
And I see the clouds are passin' by
I am feelin' lonely -

Uh

I love you

Uh

I want you

Uh

I need you so I think I'll die

And as I fall asleep
All the tears I weep
Are because

Uh

I love you

Uh

I want you

Uh

I need you so I think I'll die

But there's the morning sun
And all wakes up that I can be fun
Then all my dreams are gone
But how can I dream when you're gone my love
And you're makin' love
With every girl
But not with me?

Yes times have been changed since you went away
That I heard you say:

I love you

I need you

So much I think I'll die

Yeah

I love you need you

So much I think I'll die

Why must I remember
Every wet day in September?

Just because
Uh
I love you
Uh
I want you
Uh
I need you so I think I'll die
But there's the morning sun...
But how can I dream when you're gone my love...
