

# Coming in Hot

Lecrae & Andy Mineo

I don't do the most but I do a lot  
I'ma make a toast 'cuz we still alive  
No Big, I feel like Pac  
I shoot the shot (brap, brap, brap)  
I'm coming in hot! (Hot hot hot, ooh)  
Coming in hot! (South-Southside)  
Shoot that! (Shoot that shot)  
Ayy, why not!  
(Ayy why not!)  
Yeah, coming in hot! (coming in hot)  
Just like the fajita (like the fajita)  
I write what I live (write what I live)  
My life in the speaker (life in the speaker)  
I'm nice with the flow (nice with the)  
Just like the demeanor (like the demeanor)  
I'm feeding my fam (feed up my fam)  
I'm feeding the meter, unh  
They got the iron while I got the steamer  
I bring the fire, but you never seen her  
I testify, don't need a subpoena  
They want my soul, better go to Korea  
I love my dog, just like I'm PETA  
Gotta protect Him, I made the call in just like I'm repping  
I know we left yeah, now we back together  
But I guess that it's Better Later than Never, like unnnh  
What happenin'!  
I'm need y'all to quit askin' when  
Me and my wife gon' have some kids  
Right now we just practicing  
(Whoop! Whoop!) Practicin'!  
Teacher said quit rappin', man  
That gon' hurt my average  
I said "Thank God I ain't average!"

Coming in hot (yah)

Back in '94, when he took 5 shots  
Too much drive to ride yo' wave

Black on black on black on black on black on black on black  
You don't have to ball or rap to get them racks on racks (no)  
Uber poolers tryna catch my vibe and find my way (yuh, yuh)  
Yeah, I know I know I'm ratchet but I'm really savedHot sauce drippin' (drip)  
Everybody wanna start dippin' (dip)  
First, nobody wanna listen (shh)  
Now everybody pay attention  
Now everybody pay a fee (shesh)  
Even Trump gotta take a knee  
When the horn blow y'all gon' see  
Make the wall fall down like yee!  
I don't do the most but I do a lot  
I'ma make a toast 'cuz we still alive (wassup)
