

Dreams

The Game

[Intro: Sample]

"And I brought—"

"And I brought—"

"And I brought—dreams"

"—dreams"

"—dreams"

"And I brought you all my dreams 'cause I love you"

"I—love you"

"I—love you"

"I-I-I love you"

[Verse 1: The Game & (Sample)]

I woke up out that coma 2001

'Bout the same time Dre dropped 2001

Three years later the album is done

Aftermath presents: Nigga Witta Attitude, Volume One

Rap critics politickin', wanna know the outcome

Ready to Die, Reasonable Doubt, and Doggystyle in one

I feel like 'Pac after the Snoop Dogg trial was done

Dre behind that G series and All Eyez on Me

I watched the death of a dynasty, so I told Vibe Magazine

Workin' with Dr. Dre was a ("Dream")

I had visions of makin a classic, then my world turned black

Like I was starin' out of Stevie Wonder's glasses

It's kinda hard to imagine, like Kanye West

Coming back from his fatal accident to beatmakin' and rappin'

But, we the future, Whitney Houston told me that

It's gon' take more than a bullet in the heart to hold me back

[Chorus: The Game & (Sample)]

Blushin' in this 40 ounce, lettin' the ink from my pen bleed

'Cause Martin Luther King had a ("Dream")

Aaliyah had a ("Dream"), Left Eye had a ("Dream")

So I reached out to Kanye and ("I brought you all my dreams 'cause I love you")

("I—love you"

"I—love you"

"I-I-I love you")

[Verse 2: The Game]

I had dreams of fuckin' a R&B bitch like Mya

When I saw that ass on the front of that King
Read the article in the magazine, she loved gangsters, loved nasty things
So I'm in the glass house having nasty dreams
Good girls never give it up
But anything is possible, if 50 fucked Vivica
Hurdled life's obstacles, found my way through the maze
Then joy turned to pain like Frankie Beverly and Maze
Used to dream of being Unsigned Hype
'Til I was crushed by Dave Mays, almost let my pen fall asleep on the page
Daydreamin' yesterday, dozin' off backstage
I thought I saw Eazy talking to Jam Master Jay
So I walked over, heard Jam Master say
"It's a hard knock life, then you pass away"
They say sleep is the cousin of death, so my eyes wide open
'Cause a dream is kin to your last breath

[Chorus: The Game & (Sample)]
Blushin' in this 40 ounce, lettin' the ink from my pen bleed
'Cause Martin Luther King had a ("Dream")
Aaliyah had a ("Dream"), Left Eye had a ("Dream")
So I reached out to Kanye and ("I brought you all my dreams 'cause I love you")
("I—love you"
"I—love you"
"I-I-I love you")

[Verse 3: The Game]
The dream of Huey Newton, that's what I'm livin' through
The dream of Eric Wright, that's what I'm givin' you
Who walked through the White House without a business suit
Compton hat, jheri curl drippin' on Ronald Reagan's shoes
Gave Mike Lem my demo, came here to pay my dues
Started off with Whoo Kid, then I start blazin' Clue
It was all a dream like Big said it'd be
Don't sleep on me homey, I bring nightmares to reality
Rap phenomenon, defyin' the rules of gravity
Studied all the classics, start revisin' my strategy
'Cause Marshall Mathers made it, Curtis Jackson made it
Head in the clouds, wonderin' where the hell Marvin Gaye went
How do I say this? I'm livin' for my son
But I can't figure out, why I'm at my temple with this gun
Wake up to a Jesus piece, like a catholic nun
The war to be a rap legend has just begun

[Chorus: The Game & (Sample)]
Blushin' in this 40 ounce, lettin' the ink from my pen bleed
Cause Martin Luther King had a ("Dream")
Aaliyah had a ("Dream"), Left Eye had a ("Dream")
So I reached out to Kanye and ("I brought you all my dreams 'cause I love you")
("I—love you"

"I—love you"
"I-I-I love you")

[Outro: The Game & (Sample)]

The sister of Venus and Serena Williams

("I brought you all my dreams 'cause I love you")

("I—love you"

"I—love you"

"I-I-I love you")

"And I brought—"

"And I brought—dreams"

"—dreams"

"—dreams")
