

# Only Love (feat. Pitbull & Gene Noble)

## Shaggy

Round and round and round we go  
Waiting for the wind to blow  
As we walk the streets alone  
Only love can bring us home  
Weaving powerless and blind  
But tomorrow we'll be kind  
Let love guide us through the rain  
Forget our yesterday Only love, love, love  
Brings us together  
Only love, love, love, love  
Forever  
Only love, Forever and ever  
Only love, love, love, love Forever  
Only love can conquer all  
And move mountains when you cold makes you warm again  
Only love heals a broken Heart  
We been through it all girl came through the storm again  
Find you joy let go a di past  
Love invade you walls like the Trojan horse Again  
Cah give up won't give in find the  
strength from within ask yourself  
can you loose my Heart again.  
I know your hurting but baby  
let my love set you free  
I'll never let you fall let's go girl  
you can trust in me  
Forever in my eyes you will always be the one for me  
I'll always love you until they read out my eulogy  
Only love, love, love  
Brings us together  
Only love, love, love, love  
Forever  
Only love, Forever and ever Only love, love, love, love  
Forever  
Love heals all, love kills war  
I love the hustle but I love you more  
Ride or die that's what love is for  
Believe it or not God loves us all  
When I was down and out you were down with me  
things got deep you'd drown with me  
If there was heat I know you'd cock back click clap  
spit a round with me Blow a pound with me hold it down with me

To all them haters you can come get me  
It's us against the world 150I love Miami that's my city  
305  
It's all good  
Love is love  
Shaggy, Pitbullit's all on us, Dale  
Only love, love, love  
Brings us together  
Only love, love, love, love  
Forever  
Only love, Forever and ever  
Only love, love, love, love  
Forever  
Round and round and round we go  
Waiting for the wind to blow  
As we walk this world alone  
Only love can bring us home
