

# Two Shoes

## The Cat Empire

[Verse 1]

One day one woman asked him  
What do you do to survive?  
He said 'oh my dear listen here'  
And this is what he cried

On my feet I wear two shoes for dancing  
Dancing to be free  
On my feet they're paying tribute to  
The Bobby Marley legacy

On my knees they've got some cuts and bruises  
From skating all my days  
Cause when I'm skating with my friends  
My troubles drift away

I say my legs they're wearing baggy pants  
I like to move around  
Cause getting down and jumping up  
These are some good things that I found

[Hook]

Aeehhiiiiiaaaa  
Boom shak the empire be rising  
Aeehhiiiiiaaaa  
Boom shak we making some lovin  
Aeehhiiiiiaaaa  
Boom shak the greedy men running  
Aeehhiiiiiaaaa  
Boom shak got two shoes for dancin'

[Verse 2]

On my waist it's got a slinky belt  
With a clip that's quick to open  
Because loving is the sweetest thing  
And from my waist it happens

And my stomach got some tasty food  
That's making me feel good  
Cause sharing some meals is something

I wish the world could do

Where my chest it wears a singlet  
Where my chest it beating proud  
Oh my chest suggest I am a man  
That no institution can knock down

And around my neck is superstition  
Hanging from a chain  
Because I've got my gods but in the end  
I make my own way

[Hook]

Aeehhiiiiaaaa  
Boom shak the empire be rising  
Aeehhiiiiaaaa  
Boom shak we making some lovin  
Aeehhiiiiaaaa  
Boom shak the greedy men running  
Aeehhiiiiaaaa  
Boom shak got two shoes for dancin'

[Verse 3]

And my mouth it's got a great big smile  
That shows some great big teeth  
To friends it brings a happiness  
And to enemies it brings defeat

And my eyes they've got some vision  
That can see through many lies  
Or my eyes they look for better things  
The better things to see in life

Where my ears are wearing head phones  
That do play my favorite songs  
Not music I'm told to like  
But the songs that make me dance along

Cause on my feet are shoes for dancing  
Dancing to be free  
On my feet they're paying tribute to  
The Bobby Marley legacy

[Hook]

Aeehhiiiiaaaa  
Boom shak the empire be rising  
Aeehhiiiiaaaa  
Boom shak we making some lovin  
Aeehhiiiiaaaa

Boom shak the greedy men running  
Aeehhhiiaaaaa  
Boom shak got two shoes for dancin'  
Aeehhhiiaaaaa  
Boom shak the empire be rising  
Aeehhhiiaaaaa  
Boom shak we making some lovin  
Aeehhhiiaaaaa  
Boom shak the greedy men running  
Aeehhhiiaaaaa  
Boom shak got two shoes for dancin'  
  
Aeehhhiiaaaaa
