

# Like You Do

Jimmie Allen

[Verse 1]

Your head's on my chest  
This bed's all a mess  
Empty bottle of red wine  
And I can tell it was a good night  
Sunlight's peekin' in  
Kissin' on your skin  
And I don't wanna say goodbye

[Chorus]

'Cause when you love me like you do  
Girl there ain't nothin' sweeter  
I can't keep my hands off you  
Oh and if I'm bein' honest  
My heart's fallin' I can't stop it, it's true  
Ain't nobody in the world gonna love me like you do

[Verse 2]

I just wanna be alone with you  
Locked in for a day or two  
Somewhere on a beach front  
Steamin' up my old truck  
You got me feelin' all paper thin  
'Cause you crashed in makin' my head spin  
Again and again

[Chorus]

'Cause when you love me like you do  
Girl there ain't nothin' sweeter  
I can't keep my hands off you  
Oh and if I'm bein' honest  
My heart's fallin' I can't stop it, it's true  
Ain't nobody in the world gonna love me like you do  
Hey  
Nobody baby  
Oh baby, yeah

[Bridge]

I've been to a lot of different places  
Seen smiles on a million different faces

And I ain't never met anybody like you

[Chorus]

'Cause when you love me like you do

Girl there ain't nothin' sweeter

I can't keep my hands off you

Oh and if I'm bein' honest

My heart's fallin' I can't stop it, it's true

Ain't nobody in the world gonna love me like you do

Ain't nobody gonna love me like you do, no

Oh yeah, oh yeah

Ain't nobody gonna love me like you do, no

Oh yeah, oh yeah, oh yeah
