

# Black Is the Graceful Veil

Nicola Conte

Black is the colour  
It's the shade of it all  
That is the colour  
Between heaven and earth  
Black is just the colour  
When souls within the eyes  
Love  
Is all the colours  
Behind the graceful veil  
Black is the colour  
It's the shade of it all  
That is the colour  
Between heaven and hell  
Black is the colour  
Soul within the eyes  
Love  
Is all the colours  
Behind the graceful veil  
Behind the graceful veil  
Black, black
