

# Two Sleepy People

Hoagy Carmichael

Here we are, out of cigarettes  
Holding hands and yawning, look how late it gets  
Two sleepy people, by dawn's early light  
And too much in love to say good night

Here we are in the cozy chair  
Pickin' on a wishbone from the Frigidaire  
Two sleepy people with nothing to say  
And too much in love to break away

Do you remember the nights we used to linger in the hall?  
Mm-hmm, your father didn't like me, at all  
Do you remember the reason why we married in the fall?  
To rent this little nest and get a bit of rest

Well, here we are, just about the same  
Foggy little fella, drowsy little dame  
Two sleepy people, by dawn's early light  
And too much in love to say good night

Here we are, don't we look a mess  
Lipstick on your collar, Wrinkles in my dress  
Two sleepy people, who know very well  
They're too much in love to break the spell

Here we are, crazy in head  
Gee you're eyes are gorgeous, even when they're red  
Two sleepy people, by dawn's early light  
And too much in love to say good night

Do you remember when we went dancing at the Palomar?  
When it was over why naturally we cuddled in the car  
So you ran out of gas, and I was green as grass

Here we are keeping up the pace  
Letting each tomorrow slap us in the face  
Two sleepy people, by dawn's early light

And too much in love to say good night
