

# Get Out My Way (feat. Lecrae)

Tedashii

[Pre-Chorus: Lecrae]

It's no days off (It's no days off)  
I take no breaks (I take no breaks)  
You in my lane (Get out my lane)  
You in my way (Get out my way)  
You crossed that line (You crossed that line)  
It ain't yo' day (It ain't yo' day)  
I lost my mind (I lost my mind)  
I need my space [Chorus: Tedashii]

Get out my way (Yeah)  
Get out my way (Yeah)  
Get out my way (Woo)  
Get out my way (Ugh)  
Get out my way (Move)  
Get out my way (Yeah, skrt, skrt)  
Get out my way (Woo)  
Get out my way (Well)  
I ain't never been safe

[Verse 1: Lecrae]

Move

Black Forgiatos on the tires got me sitting high like a gladiator  
Life on the line, cross the state line, straight face when I navigate it (Skrt)  
You don't know about the fast life  
I got scars from my last fight  
Ice water in my bloodstream from some old things in my past life  
This is not what you wanted, you hunt or be hunted, no turning back and running from it  
It's one and done, you better run it (Run it)  
You taste defeat or overcome it (Yeah)  
You can't tell me nothing else, been seven summers running through the jungle  
Everyday a struggle  
People throwing stones and tryna make us stumble  
Rose up out the rubble, tell 'em they'd get trouble (Trouble)

[Pre-Chorus: Lecrae]

So all y'all back up (Back up, back up)  
Or go call backup (Or go call backup)  
I just got knocked down (Yeah, uh)  
I still got back up (I still got back up)  
It's no days off, boy (It's no days off)  
I take no breaks (I take no breaks)  
I lost my mind  
I need my space [Chorus: Tedashii]  
Get out my way (Yeah)

Get out my way (Yeah)  
Get out my way (Woo)  
Get out my way (Ugh)  
Get out my way (Move)  
Get out my way (Yeah, skrt, skrt)  
Get out my way (Woo)  
Get out my way (Well)  
I ain't never been safe[Post-Chorus: Tedashii]  
Ain't nobody blocking, they can't stop me, I'm on ten  
Ain't no other option, they just copy what I did  
Get out my way (Move)  
Get out my way (Yeah, skrt, skrt)  
Get out my way (Woo)  
Get out my way (Well)  
I ain't never been safe[Verse 2: Tedashii]  
Never fold when you face pain and they take aim like a movie shoot  
No vest when they draw lines, I be offsidess feeling bulletproof  
Use my past like a flashback  
Overcome, moving past that  
Moving on, let the Audi run on the Autobahn, where the gas at?  
Gettin' to it, yeah, I'm gettin' to it  
Took a lot of hits, but I'm gettin' through it  
You could make it or could make excuses  
Choice is yours, I can't make you choose it  
Came from nothing, but I got adopted  
Treat this Expedition like a Maserati  
All up in the zone, it's like it's out of body  
Yeah, they got a wave, but my splash tsunami, ah  
I did no go, I don't know chill, say what I want  
That's how I feel, I'm 'bout to fall, I keep it trill, this be that glow  
Shine be too real, they wanted smoke until they breathing mine  
Second-hand smoke, I defunct, I get down  
I'm showing proof to give people a sign  
I keep on running 'til the clocks say it's time[Pre-Chorus: Tedashii]  
It's no days off (No days off)  
I take no breaks (Take no breaks)  
You in my lane (In my lane)  
Get out my way (Get out my way)  
Crossed that line (Crossed that line)  
It ain't yo' day (It ain't yo' day)  
I lost my mind (I lost my mind)  
I need my space[Chorus: Tedashii]  
Get out my way (Yeah)  
Get out my way (Yeah)  
Get out my way (Woo)  
Get out my way (Ugh)  
Get out my way (Move)  
Get out my way (Yeah, skrt, skrt)  
Get out my way (Woo)

Get out my way (Well)  
I ain't never been safe[Post-Chorus: Tedashii]  
Ain't nobody blocking, they can't stop me, I'm on ten  
Ain't no other option, they just copy what I did  
Get out my way (Move)  
Get out my way (Yeah, skrt, skrt)  
Get out my way (Woo)  
Get out my way (Well)  
I ain't never been safe
