

Lost It All

Thunderstorm Artis

[Verse 1]

I met a man, California
On a bus on the way to town
He said, Tell me?do?you have time?to spare?
I'll tell you how my?life has been unfair

[Verse 2]

Cause I have a wife who doesn't?love?me
And?a kid who?never calls
So won't?somebody please help me out
There's so much I'd like to talk about

[Verse 3]

Had it all, and that was my dream (?)
Money fell like leaves on trees
Then one day it all went away
When it did nobody stayed

[Pre-Chorus]

But I'm just a man, same as you
Followed my heart in search for truth
I never thought, I never knew I had it all

[Chorus]

Till I lost it all
Lost it all, lost it all
Now I'm here with you
When I lost it all, lost it all, lost it all
Now I'm here with you
'Cause I lost it all

[Verse 4]

So tell me do you have time to spare?
I'll tell you how my life's been unfair
And I said sir, you do not know me
But I know love is hard to find
Sometimes you've got to go, lose it all
To realize that you have nothing wrong

[Pre-Chorus]

But I'm just a man, same as you
I followed my heart, searched for truth
I never thought, I never knew
I had it all

[Chorus]

Till I lost it all, lost it all, lost it all
Now I'm here with you
And I lost it all, lost it all, lost it all
Now I'm here with you
And I lost it all

[Outro]

So tell me do you have time to spare?
I'll tell you how my life has been unfair
Won't somebody please help me out?
There's so much I'd like to talk about
