

Love Me (Featuring Mase)

112

Do that Puff Daddy shit, son
Yeah, yeah, yeah
Yeah, yeah, yeah, what, what, what ATL, Harlem World, ATL
ATL, Harlem World, ATL
112, Harlem World, 112 112, Harlem World, 112
Harlem World, ATL, 112
112, Harlem World, ATL Yeah, kid you don't stop
We won't stop, you don't stop
Come on Baby whenever I'm with you
No one else exists but you
'Cuz you're the one for me
Every time that we're apart
You're always in my heart
And there you'll always be Baby don't go
Your love's so special
Can't let me go now If I did wrong, I'm sorry
No other love
Is for me, oh yeah Love me, hold me
Squeeze me
(Love me, never let me go, baby)
Hug me, kiss me
And love me
(Love me, never let go) Whenever I'm on my way home
Just can't wait to be alone
With you my baby
Anticipatin' how you'll feel
Listen to me I'm for real
When I say, I love you Baby don't go
Your love's so special
Can't let me go now If I did wrong, I'm sorry
No other love
Is for me, oh yeah Love me, hold me
Squeeze me
(Love me, never let me go, baby)
Hug me, kiss me
(Yeah, yeah, yeah)
(What, what, what, come on)
And love me
(Yeah, kid, Harlem on the rise)
(With 112 and you don't want no problem with these guys) Yo, you cats never want no problem
like we want it
When Harlem World doubled up

We put G's on it
I'm pushin' new 700 M.G.'s on it If that nigga can't see the ice
That mean my sleeve's on it
You know I dress as I'm suppose to
Stretch Lex with a chauffeur Never sober, Red Testarossa
Cherry Rover, Bagettes in my Jehovah
Me and Puff at the Grammy's
Sittin' next to Oprah
(And the winner is) All we hear is platinum that
Platinum this, platinum whips
Nobody got no platinum hits
Cats know with me platinum always wrap my wrist I come to the awards
Quadruple platinum chicks
Little ones like twenty-five
What cats get smacked with Big ones like forty fives
What cats get clapped with
I react sick whenever my dough ain't adequate
Harlem World-Junior Mafia
Yeah, that's it, come on Love me, hold me
Squeeze me
(Love me, never let go, girl)
Hug me, kiss me
And love me
(Love me, never let go) Love me, hold me
Squeeze me
(Love me, never let go)
Hug me, kiss me
And love me
(Love me, never let go) Love me, hold me
Squeeze me
(Love me, never let go)
Hug me, kiss me
